

# CSCI 476

## Extra Credit Opportunity

### Due Thursday December 14<sup>th</sup> @ 11:59 PM

Please fill out the course evaluation for CSCI 476. It can be found on D2L

Your (*anonymous*) feedback and honesty is greatly appreciated. Your feedback will help make me a better instructor and help make CSCI 476 better for future students.

I really do care about your feedback, and I do take it very seriously :)

This will add 2% to your final exam grade. If you would rather have this extra credit be applied to one of your lab grades (probably will be more than 2%), **you must email/message me to let me know.**

### What to submit:

Take a screenshot that shows you filled out the course evaluation. Submit the screenshot to D2L.
